

Business enabling products, solutions and services

ISO 9001-2000 CERTIFIED

Our Mission

To be the preferred provider of business enabling products, solutions and services to our customers in chosen market segments.

Our Company

Since inception in 1988, **Arya Communications & Electronics Services Pvt. Ltd.** (Aryacom) a group company of the illustrious 90+ years old J M Baxi & Co., India's leading shipping support services provider, has been a front runner in providing communication solutions to its esteemed customers. It offers end-to-end solutions in wired and wireless communications, security and surveillance, professional engineering services and emerging technologies. An ISO 9001-2000 certified company, Aryacom has been consistently providing reliable, customised turnkey products, solutions and services.

Our Team

As a systems integrator par excellence, Aryacom offers the highest levels of sales and service support. It has a team of 700+ qualified, trained and experienced networking engineers, marketing and support professionals. The sales force is geared to service from 15 major cities. Additionally, the company operates through indirect channels in other metros and townships. Its service team is trained to study and develop seamless, integrated solutions for the specific requirement of each client.

Our Alliances

Being customer-centric, Aryacom has gone from strength to strength to consolidate its technical superiority and service offerings. Today, Aryacom represents the best of global brands that are lead players in their own business domains. Apart from quality products, Aryacom offers customized, technology driven solutions to suit client requirements.

Our Shared Values

- Accountability for success
- Commitment to excellence
- Customer orientation
